Dear Prayer and Ministry Partners,

Thank you so much for responding to the needs of Congolese salaries, tickets for Congo, and money in hand to take with us for all the demands of the mission. Being current on these three items is highly desired as we anticipate our trip in early September.

Here is the latest: Tickets are paid for. We have some funds to take with us. Salaries are more current than they were.

Here is what we covet your prayers for: More money to take in hand being current on salaries. Because giving was down in March, April, and June, we are having to play catch up with salaries, but they are coming. They really are.

Please keep praying with us. We are on our faces before God as we seek His face. Jesus challenges us in Luke 18:1 that we ought always to pray and not to turn coward—not to faint, lose heart, and give up. We are not giving up. GOD IS ABLE!

Blessings and Gratitude,

Jim and Nancy

P. S. Save the date of November 5. We are having a benefit concert for Laban Ministries Radio Glory. Jack Smith will be the featured artist. Venue is Gilead Baptist Church in Taylor on Telegraph.
