

September, 2009

Dear Friends,

One week from today, on September 11, we leave for Congo. Please pray for:

1. Deliverance from terrorism on and strength for the long journey from Detroit to Kinshasa, a total of 22 hours & safe arrival of our goods.
2. God's Hand on our old, worn out X-army vehicles.
3. Wisdom and discernment working through difficulties with Laban Congo staff.
4. Protection as we make lumber out of the felled trees at Iwungu, the site of our 2nd Bible Inst. that had to be cleared to approve the airstrip there.
5. Funding of staff salaries for Laban's nearly 100 men and women in Congo.
6. Provision to ship to our recently purchased back-up generator for Radio Glory from Detroit to Kinshasa and then into the bush. If the generator we are now using quits for any reason, broadcasting is dead in the water.
7. The fall outreach of evangelism. People are begging our team to come.
8. Skill, freedom, and the blessing of God as we teach at both Bible Institutes.
9. The pursuit of holiness, transparency, and a pure heart for all of us there.
10. The unleashing of God's glory, It is all about Him.

Thank you for standing with us and making this trip a reality. You are an amazing group of individuals and churches. May the Lord return to you a hundred fold your investment in His Kingdom. We praise God for you. We need you.

Servants of Christ,
